

Keeping You *in the Know*

August 5, 2020

“Keeping You in the Know” Update

“Keeping You in the Know” began in March as a means of communicating to team members who were on a Leave of Absence (LOA) due to the COVID-19 pandemic. At that time, the majority of our hotels had temporarily suspended operations which meant the majority of our team members were impacted. Today, although most of our hotels have resumed operations, we still have many team members on LOA due to low occupancies and declining revenues.

With the above in mind, the need for weekly updates regarding resuming operations and other “new” company news has declined. That being said, we are still as committed today as we were when the first edition of “Keeping You in the Know” launched as it relates to keeping you informed on new developments, company happenings and more. We will continue to communicate, however with a bit less frequency. Of course, as happenings occur within Loews hotels & Co and our industry, rest assured we will continue to keep you abreast of all relevant information.

As of today, we will be updating “Keeping You in the Know” on a monthly basis, with regular updates the first Tuesday of every month. If there is important information that needs to be shared in the interim, you will receive a Workday notification to sign into Workday for an important communication.

In the meantime, you can always reach us if you have questions or need some type of information by sending an e-mail to companyupdates@loewshotels.com. Please let us know if we can be of assistance in any way.
