

Loews Neighborhood Perks

Here at Loews Hotels & Co, our community is as much a part of our family as our team members. It's more than camaraderie—it's friendship, familiarity, goodwill and kindness. One local business helping another. As your neighbors, you can count on us.

We Offer Your Business Travelers:

Partnership

We believe like-minded businesses should work together. That's why we partner with small businesses in our local communities, offering direct access to discounted rates, special amenities and, above all, our people.

Ease of Doing Business

Flexibility and a seamless experience with a personal touch—that's the value of doing business with Loews Hotels & Co. Members of our program can book online, or by calling one of our dedicated team members at our Customer Engagement Center or at each of our 21 hotels.

Personalized Service

We know no two businesses—or trips—are the same. Our team stays in close contact with our partners so we can get to know them. The result is a program and service tailored to the needs of each business and individual traveler.

True Consistency

As a small business, we know the value of consistency. All 21 of our properties honor our program. For the travel administrator and traveler, that means a consistent experience with local flavor.
