Terms and Conditions

Group(s) must be booked at multiple Loews Hotels with mutually signed contract(s) by **December 31, 2019** and consumed by **December 31, 2021**. Multiple programs at the same hotel are NOT eligible for this promotion, unless otherwise approved by the property. Promotion is based upon availability and does not apply to conventions, citywide or groups already in negotiations or contracted at a Loews Hotel and/or in conjunction with another promotional offer or discount. Promotion is not available for repeat* groups and must be disclosed prior to proposal receipt to ensure eligibility. In addition, eligibility requires all groups are of like size and revenue and require the same contract company signee. The promotion is intended for direct bookings only and is not eligible for commission. Multiple contracts must be signed within 30 days of each other to be eligible for the promotional offering and may be subject to individual hotel requirements.

Earned percentage off the master bill will be applied to the final folio based upon net consumed, eligible revenue. If a future program is cancelled as part of a multi-contract commitment any associated future contracts will lose eligibility for the percentage off master promotion. The percentage discount off of the master folio only applies to eligible revenue which is defined as net consumed group guest room revenue. In order to receive the percentage off master, group must meet or exceed the defined and agreed to revenue commitment in executed contracts. All other associated spend by the contracted group and/or meeting will not qualify for the percentage discount off the master account folio.

The percentage off the master is off net guest room revenue and is only eligible for guests paying the negotiated group rate or higher. Net revenue is less taxes, staff or other discounted guest rooms.

Programs must either be booked in one contract or, if contracted separately, within 30 days of the initial contracts signature date for multi-hotel concession eligibility. If a definite Loews Hotels & Co property contract evolves into a multi-hotel deal for other Loews Hotels & Co hotels at a later date, the terms and concessions agreed to in the initial, definite contract would not be changed or renegotiated to align with a new multi-hotel/multi-event deal. Concessions are not retroactive to an initial contract and would apply to only the future meetings contracted.

Special concessions negotiated through preferred property contracts and/or brand-wide MSA's with Loews Hotels & Co will be at the discretion of the individual properties. Some exclusions may apply, please contact the hotel directly for details.

* Repeat business, defined as a group that has met at a hotel in the last 12 month, is not eligible to receive % off master for most recent property, however is eligible for new business opportunities into Loews Hotels & Co portfolio.

**For bookings into Loews Hotels & Co new, but not yet open and operating hotels listed in the Book More, Save More campaign (opening between 2019-2020) the group offer will be based upon availability, opening dates and the discretion of the property.
