AT LOEWS CORONADO BAY RESORT

Group Spa and Fitness Offerings

Sea Spa at Loews Coronado offers an array of spa services to enrich your group conference or meeting experience. Our Group Manager will help to customize a package for your group and deliver an experience unlike any other.

SPA EVENTS

Create a unique experience for your attendees at Sea Spa. The spa can be reserved for your group to hold catering events and evening functions, including complete buy-outs or semi-private events, and your attendees can indulge in treatments, relaxation and the culinary delights.

GIFT BASKETS & GIFT CERTIFICATES

Show your appreciation with the gift of Sea Spa. We can customize a wellness gift basket from our line of exclusive products. Or choose gift certificates in any denomination and allow your attendees to customize their own spa experience.

FITNESS CLASSES

Mental clarity is vital to your well-being and full participation during meetings. Let us customize a daily fitness program during your conference to energize your attendees. Or simply purchase daily spa passes for your attendees to visit the fitness center or take advantage of our daily classes.

SPA WELLNESS WORKSHOPS

Break up your conference or meetings with a Spa Workshop. Topics include: Relaxation and Meditation, Traveler's Tips, Aromatherapy, Nutrition, Reflexology, and Stress Relief.

CHAIR MASSAGE

Chair massage is an energizing way to begin or end your day of productive meetings. It's also the perfect welcome during peak registration hours. Choose 10 or 15-minute increments for your attendees to enjoy.

SPA SAMPLER BREAK OUT SESSIONS

Sea Spa can offer your group a "spa sampler" during your meeting. Short spa breaks provide the perfect amount of rejuvenation needed to keep your participants engaged during a long day of meetings. Spa samplers sessions can take place in meeting rooms, at the spa or pre-function space.

Sea Spa can also customize a package of spa and wellness services for your group.
