Welcome to our Golf Paradise

Located just steps from the front lobby and in conjunction with the Ventana Canyon Golf & Racquet Club, we offer two Tom Fazio designed championship 18-hole golf courses. Both courses are designed to blend into the Santa Catalina Mountains' natural features.

Group Golf Outings and Tournaments

Ventana Canyon prides itself on offering a first-class tournament experience to all groups. Entertain a group of colleagues with a golf outing, play golf after your next meeting or put together a tournament just for fun. We specialize in customizing tournaments based on individual needs. Our tournament staff will work with you to organize and manage every aspect of your event.

Tee Times and Club Rentals

Contact the Pro Shop at 520.577.4015 for tee times, club rentals or additional information. If you are planning a group or corporate event, ask for the Golf Event Coordinator.

Mountain Course

The 6,902 yard, par 72 course boasts the most photographed hole west of the Mississippi: the third hole, a 107 yard, par 3 that plays across a plunging ravine to a granite-encased green.

Canyon Course

This 6,836-yard, par 72 course winds through the inspiring beauty of Esperero Canyon and incorporates the massive rock formation known as Whaleback Rock. The par-5 18th hole showcases a partial Island green and a steep, cascading waterfall.
