Terms and Conditions

Group must be of like total revenue size or larger and must sign a contract within 90 days of previous group final peak check out in order to be eligible for offer. Offer valid through **December 31, 2020** and consumed by **December 31, 2023** and is not eligible to combine with any other promotional opportunity.

Loews Legacy is a retention offer and is for repeat business opportunities; it cannot be applied to business opportunities previously contracted or in negotiations.

Loews Legacy offer must be disclosed in the contract concessions prior to proposal receipt to ensure eligibility. Offer valid to rebook at the same Loews Hotel or at another hotel in the Loews Hotels & Co portfolio. Offer is subject to availability and does not apply to citywide opportunities. Offer also does not apply to conventions or groups already in negotiations or contracted at a Loews Hotel, or in conjunction with any other promotional offer or discount.

Percent applied to master is based on actualized net group room revenue (less taxes, staff, rebates, commissions or other discounted guest rooms) from the current group and applied to the new contracted group's master account as a credit. Percent applied to master has no cash value and is non-transferable. Percent applied to master is forfeited if future group does not meet the minimum anticipated total revenue commitment in the contract.

If future group is canceled, any credits applied to the master in congruence with Loews Legacy are forfeited and cannot be applied toward cancellation damages.

Offer is eligible for third parties.

Special concessions negotiated through preferred property contracts and/or brand-wide MSA's with Loews Hotels & Co will be at the discretion of the individual properties. Some exclusions may apply, please contact the hotel directly for details.

* For bookings into Loews Hotels & Co new, but not yet open and operating hotels (opening in 2020) the group offer will be based upon availability, opening dates and the discretion of the property.
