

Booking a meeting is as easy as 1, 2, 3 at Loews Chicago O'Hare Hotel

In March 2019, Loews Chicago O'Hare Hotel put the final touches on a multi-million dollar refresh encompassing all guest rooms and meeting spaces. The result is a design inspired by Chicago's many urban parks, blending indoors and out, creating quiet moments of nature-inspired surroundings in which our guests can relax. With the upgrades complete, guests will no longer need to choose between downtown style and convenience to the airport.

To help us celebrate our refresh, we are offering our **Easy as 1, 2, 3** meetings promotion for select dates in 2019.

Book a group during select dates in 2019 to save on the master bill and to have your choice of premium perks. The bigger the event, the bigger the perks.
